

MODEL E45

Jetted Bathtub Pump

Features

- This high performance, medium head pump comes complete with an industry standard Carbon/Ceramic 5/8" mechanical seal for convenient replacement.
- Pump parts are made of 100% recyclable plastic. Non-corrosive, chemical/UV resistant, and can withstand temperatures of up to 150°F.
- Suction and discharge ports are equipped with 1.5" quick disconnect unions. Optional 1.5" NPT connections are available.
- A special design allows all water to drain from the pump casing.
- For tub users' safety, the impeller has a dielectric shaft sleeve that provides absolute separation between pool water and electric parts.
- Pump is equipped with durable, economical 48 frame thru-bolt mount motor with stainless steel shaft.
- Pump is also available with a specially designed 42 frame motor with built-in air switch.
- The Model E45 comes standard with a 3 ft. 3/12 AWG cord set with built-in air switch. A variety of other cord sets are available.
- Reusable o-rings throughout.
- The Model E45 comes complete with a full 12 month warranty.
- Every pump is performance tested before leaving the Speck factory.
