Installation

The BaduStream is normally incorporated into the design, but it can be added to any pool at a later date. The BaduStream has no protruding parts ensuring pool users’ safety. All BaduStream systems includes LED touch button with 50' cable (mounts in all standard 1.5’ return fitting), Speck controller, and Speck 4 or 3.5 HP pump. 4” or 6” plumbing is required, depending upon the package chosen. Read all instructions before installing.

Consult your physician before attempting any strenuous exercise. This product may not be challenging or satisfying for all levels of exercise.
