Badu® Stream II
SwimJet System

With a BaduStream II SwimJet system there is something for everyone. This versatile swimjet system is available in several different packages to satisfy a variety of exercise styles and budgets. The BaduStream can be configured with one, two or three jets. Its compact low profile swimjets fit flush against your pool wall.

Features
- Patented flush mounted jet housing.
- Anti-entrapment cover (8-1/4" x 8-1/4") provides undetectable suction. (Round or Square covers available)
- Adjustable water flow jet nozzles.
- Air regulator controls amount of air bubbles in water flow. (Black cover available)
- LED ON/OFF Touch Button with 50 ft. cable. Installs in a standard 1.5" return fitting.
- SPECK Controller with GFCI and built-in WiFi.
- The BADU Connect App gives you a convenient way to manage your BADU Swimjet System & Pool equipment.
- Comes with 4.0 HP self-priming plastic pump. UL Listed, single phase with thermal overload (no motor start required).
- System includes nozzle adjustment tools to help set the jet nozzles in position for optimum performance.
- Optional pulsating massage hose that can be attached to jet nozzle.

Installation Specifications
The BaduStream is normally incorporated into the design, but it can be added to any pool at a later date. The BaduStream has no protruding parts ensuring pool users’ safety. All BaduStream systems includes LED touch button with 50' cable (mounts in all standard 1.5" return fitting), controller, and 4 HP pump. 4" or 6" plumbing is required, depending upon the package chosen.

- The BaduStream requires a clear unobstructed area within the swimming pool that is 8 ft wide x 15 ft long x 3 ft deep to work effectively.
- The BaduStream should be installed within 30 ft. of the pump with 4" pipe and minimal fittings for optimum performance. If the distance to the pump is greater than 30 ft., then 6" pipe should be used.

All BaduStreams are provided with installation instructions for various pool construction types: new and existing gunite or concrete pools, pools with liners, steel wall pools, and fiberglass pools. Read all instructions before installing.

Consult your physician before attempting any strenuous exercise. This product may not be challenging or satisfying for all levels of exercise.

Color Options
Round covers are available in black, gray and white.
